“ As a classmate of Brent's since elementary school, I think it is only fair that I share my memories of him. I have had a difficult time comprehending the passing of another classmate from Edgewood 93. I lost touch with Brent after high school graduation and for that I am sorry. My earliest recollection of Brent was when I moved to Ellettsville Elementary from Stinesville in the 4th grade. Brent always treated me as if I had been at Ellettsville the entire time. He would always smile and laugh and be welcoming. My thoughts of Brent being approachable and likeable continued through Junior High and High School. Anytime I encountered Brent in classes or in the hallways of Edgewood he was always polite, friendly and respectful. He never treated me any differently when I became drum major. He was always smiling, happy, and friendly. I don't recall Brent ever having a bad day. I will always remember his kindness, friendliness, smile, and respect toward me and my sister. I hope Brent knew how much we respected and thought of him.

Many blessings and well wishes to you and your family during this difficult time.

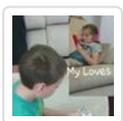

Respectfully,
Heather (Thurman) McKee
Class of 93 Edgewood High

“ So many great memories!! He was definitely a true friend. I and my husband Andy will miss him. Brent will always hold a special place in both of our hearts. Kalena will miss him giving her gummy worms. He always made Kalena smile. Thank you very much Chris and Walt for letting us be there for him. You both will always hold a special place in our hearts to. We considered Brent family. We love and miss you always!!!

“ Brent was my uncle and although we weren't super close, he always made an effort to be there when I needed him. That was just the kind of man he was. He will be missed always
