“ Erin’s one of the sweetest people I’ve ever known and I’m so glad to have her as my cousin. I’ve never heard her complain or say anything negative. She was so optimistic and kind. She genuinely cared about others and was always ready for a good laugh. To Jack, Cean, Sarah, Katie, Uncle Vincent and Aunt Lynn (and many others who love Erin) my heart goes out to y’all as well as my thoughts and prayers.

“ When we were little, we loved to hear our mom say "We're going to Erin and Sarah's" (and baby Katie). How we loved playing with our little cousins!!!

Karen Purlee Haseltine - May 22, 2018 at 02:59 PM

“ Many times when we were little, our mom would say we were going to run errands. We would think she said "we're going to Erin's" and we would be so excited. We loved going to Erin's house and playing in her playroom and in the backyard. We always had a lot of fun at their house. Many prayers for her whole family.

“ I met Erin when I was seven years old, and since day one she has been like a second mother to me. I remember Cean and Erin and I taking a girls day trip to their grandmas house last summer and swimming in the pool. Days like those and her lively, caring presence is why she will be so missed. Rest easy Erin
