“ Javier, I am so sorry to read this. It was my pleasure taking care of my friend Francisco. I never new he wanted to be called frank until a few days before he went home. I explained to Frank that I didn't know and he said "it's ok my friend". Frank was a kind man, always so polite. Javier you and your family are in my prayers. Francisco my friend you can rest in peace now with no pain. I will see you again once I'm called home.
