

Garry Clyde Frederick

January 28, 1955 - January 17, 2021

Garry Clyde Frederick, 65, of Bloomington, IN passed away Sunday January 17, 2021 at IU Health Bloomington hospital. He was born January 28, 1955 in Vincennes, IN. Garry was the son of Robert Frederick and Mary Catherine (Blackburn) Frederick. He attended Lincoln High school in Vincennes. Garry was in car sales and management in southern IN.

Garry was a KICK ASS guitar player. He loved to tell jokes and make people laugh. He had a way of getting under your skin, but you just couldn't help but love him. He went against the grain. Garry had his demons as we all do but he had a heart of gold and a truly caring nature. He loved his wife, kids and grandkids so much and even though he couldn't always be present none of us had to doubt he loved us. "Papaw" will be extremely missed.

Garry is survived by his wife Debbie (Vaughn) Frederick; his son Chris Frederick and daughter in law Amanda (Ellis) Frederick; his son Dustin Slaven and daughter in law Angela (Kirkley) Slaven; his daughter Jaimie Frederick; his son Tyler Frederick; his grandchildren were Jayci Frederick, Beau Frederick, Sophia Frederick, Destiny Slaven, Serenity Slaven, Harmony Slaven, Mykenzi Molin, Ali Molin, Finn Krauklis and Sawyer Krauklis. his brothers Terry Frederick and Fred "Skip" Heuby; his sister Pam Crowe, along with many cousins, nieces and nephews.

Garry was preceded in death by his father Robert Frederick; mother Mary Catherine (Blackburn) Frederick; his brother Robert (Bob) Frederick; and his sister Paula (Heuby) Wilson.

Garry's celebration of life will be at Allen Funeral Home and Crematory 4155 South Old State Road 37 on Friday, January 22, 2021 from 6-8 .

In lieu of flowers the family asks to donate to the American Heart Association on Garry's behalf.

“ Gary was a kind soul and an excellent neighbor for over a decade. During this period, we had fun chatting about many subjects. So many great memories. Watching him sing and play the guitar with passion or grow tomatoes in the backyard and proudly sharing them. Barbecues, yard sales, shoveling snow together in the winter or washing cars. He knew about cars and was always willing to share ideas about how best to maintain them. Above all, he cared deeply about the children - my daughter and his granddaughters. My sincerest condolences to the family. Rest in Peace, my friend!

“ Garry was on the speech team at Vincennes Lincoln High School when I was the speech coach. His first speech meet was speech sectionals in impromptu speaking. He won in speech sectionals at Evansville and went on to regionals at Terre Haute. After the speech regionals, I took the team to Honey Creek Mall. As I was walking down the main mall path, I looked into a store window. There was Garry with a mannequin! He had a GREAT sense of humor. We became friends on Facebook during the last several years. Garry was a terrific guy. Steve Siner

“ RIP old friend! My sincere condolences to Gerry's loved ones and friends. Gerry and I we're pretty tight way back in our elementary school days, from our first band "The Cave Men" and culminating in a classically lame schoolyard fight over what I have no clue. Losing a life friend is hard and I morn with you.

“ I think my all time favorite and best memory of my dad goes back to when I was 17. I had just found out I was pregnant with Mykenzi. I had already told my mom. He was at work and I went to hang out as I normally did and had told literally all the other employees. I was freaking out! My dad and I were really close at that time (he always stood up for me, even when I was wrong... which was a lot) but I was so scared to tell him. I didn't want to disappoint him like that. I was quiet the whole few hours(which if you know me is rare) finally my dad was like Jaimie ok tell me what's going on?! I told him I'm pregnant, I'm sure there were tears... but he said to me "don't marry him, I'll take care of you." And he kept that promise he was there through broken relationships and more kids. And he loved them all so much. There are so many great memories that outweigh the bad. I'm just going to miss him so damn much and wish we had had more time.

“ Please accept my condolences. I think maybe it was Garry and Terry who we knew the best. While attending Vincennes we lived next to the Fredericks. What a fun family. It was 1968-70. Hope you have time to reply. I forget the name of the woman who owned the "garage" where we lived and also lived next door. Have to do some research. Jeff Ames
