“ Dear Ida Jo and family,
I just read in the H-T (I'm always behind) about Jim's passing. I will miss his bright smile and positive energy. I will hold you all in my heart.
Sincerely, Ann Armstrong

“ Dear Allee Family: I am one of the people who was lucky enough to dance with Jim in the first two or three years of the Dance for Parkinson's Disease program. He was essentially a founder, and such great fun. So imaginative, clever, and good humored. We were all sorry when his interests shifted and we soon lost touch, but we often thought about him and were all so sorry to read of his death Jim was a wonderful guy: candid, modest, eager to try something new. We have missed him and miss him more now. He and you will be in our thoughts and prayers, and we know that he's in better hands than ours.

David Smith.
