“ Some of my best memories from my youth involved Kyle. His laughter and smile was infectious in the most wonderful way. He gave the best bear hugs you could ever ask for. My prayers are with your family. Heaven gained a good man, He will be missed.

“ I was blessed to meet Kyle and work with him at DCC in Evansville. It was an honor and privilege to know Kyle. He was loved by his co-workers and every person he came in contact with. Kyle was synonymous with Kindness. Such a special, special person. You are sadly missed by all. Although our time was short, you have made a lasting impression on me and will never be forgotten. Prayers for you, your loved ones and all who knew you. Until we meet again.

“ When I first started at TSD I had no idea what I was doing. I didn't know Kyle very well but I knew he was someone special. I started in October 2016 and soon after Kyle began mentoring and walked the floors as a Shmee (Capt. Hook's first mate, lol). I was very forthcoming about the fact that I was a Breast Cancer survivor and noticed that Kyle wore a cancer bracelet as well. At one point he whispered to me to ask him about his cancer experience. From that point on we were bonded.

He became one of my closest friends and confidants. Once he became supervisor I know he saved my butt more than once from the chopping block. I looked forward to seeing his smiling face and yes those wonderful, comforting bear hugs.

I was so distraught when he found another job but also so proud he was moving up.

I loved and love my sweet friend and will always be his Mama Sheree.

“ Kyle was a kind & gentle soul. I met him through his finance, Kirstie Jacobs. The light that he brought back to her eyes was a true blessing. He was absolutely wonderful to her daughter "Bella" as well. His loss will greatly be felt in their lives & ours. But, I'm grateful to have had the opportunity to know him. As I am thankful Kirstie & Bella had the opportunity to fall in love with him. The grief we are all experiencing today is a visual illustration of the love we all hold for him.

“ I grew up on the same block as Kyle. I am very sad to hear that he is no longer with us, but thinking back to the days of running around Browning Lane and Sherwood oaks with him and the rest of our childhood crew, brings a smile to my face and warmth to my heart. Rest easy Kyle. You will be missed

“ I'm grateful to have known Kyle from elementary through high school. He was always, always kind. From when I was the new kid in elementary school to if I looked lonely in high school, he would always stop and speak to me, and he always had something nice to say. He was encouraging and thoughtful, and he truly had a positive impact on my life. Thank you.

“ Margery and Kara I am so sorry for your loss. I lived a street down and was a close best friend growing up. Moved to Bloomington in 6th grade and kyle was considered my best friend. Video games, watching basketball, and going to play golf we always kept busy. Kyle was always so smart and had the highest of potential. My prayers are with the family. Once again I'm so sorry for your loss. I was just in Bloomington and on my flight back to Charlotte when I heard the news, or else I would be there tomorrow. God bless -Adam Hafner

“ Kyle was one of the sweetest, most caring people I know. I have worked with his mom for 23 years and got to know Kyle quite well through her. He was always thinking of others and I can remember numerous times he would ask if any of us needed anything when he came in to visit. He will be missed and I feel very blessed to have known him. My sincere condolences to Margie and Kara and their family. God Bless you and I hope you will always remember the many good times and precious memories you have of Kyle. Lora Watson
