“ I remember when Linda was born. Her parents were extremely proud. Max and Velda were very special friends of mine. Velda is the nearest to a sister I ever had. We mourned the death of Max and Max II. My sincere condolences go out to Velda and the rest of the family. I know Linda will be greatly missed. I just lost my oldest daughter, Deanna Lenard, to Covid on January 7 of this year. I understand the pain.
