“ I worked with Toni at the Wells Library at Indiana University! She was always a joy, so feisty and full of life! She always had a smile on her face, and we enjoyed many fun luncheons together. She will be missed! My thoughts and prayers are with her family and friends!

“ I am heartbroken over the loss of my best friend. Toni and I met in the 7th grade and became like sisters. She was an only child and I was one of 7 children! She loved spending time at our “crazy, noisey house! My family adopted her! She called my mom “mom”! We shared our hopes, dreams, stories about our childhood and our kids and grandkids! No matter how much time passed we always picked up right where we left off. I have so many wonderful memories of her that I’ll treasure always! Can’t imagine how I’ll get thru the rest of my life without her! Rest In Peace my lovely friend! I know you are in a better place!

“ Toni and I had some wonderful adventures together when we were in Junior High and shared many laughs over the years. No matter what was going on in her life, Toni always remembered to call and wish me a Happy Birthday and check to see how I was doing. In recent years she loved hearing about my family and sharing in my happiness and never failed to ask about them all. I will always remember her smile.
