“ No words can help. What a good man we have lost. Mike was like a brother to me. I wish I would have spent more time with him in these last 20 years. The O'Mullane family was and his very special in many ways.

“ So sorry to hear of Mike's passing. I had the privilege of working with "O" over 35 years ago at Bloomington Home Improvement. He was a hard worker and shared his sense of humor and infectious smile every day. I remember the time he told me about getting yelled at when he was in the service for getting his hair cut "on company time." His response was, "It grew on company time, didn't it?" (- : I also remember being at your house on Dillman one night when Matt was just a little guy and how Matt ran around the house like a "wild man" just before bedtime. Years later I admired Matt's formidable prowess as a DB at BHSS. May the Holy Spirit provide you comfort during this very difficult time. God Bless, Doug McDaniel

“ Mara and Family, I am so sorry to hear of Mike's passing. We are blessed to have grown up together in a neighborhood and environment where we were all friends and like family. Mike will be missed but not forgotten by me and many others who knew him. Especially those on the Westside of Bloomington in our old neighborhood!
