

Nicholas "Nick" Nelson Sinex

May 16, 1985 - November 17, 2019

On Sunday, November 17, 2019, Nicholas "Nick" Nelson Sinex, loving son and brother, passed away at the age of 34.

Nick was born on May 16, 1985 in Bloomington, IN to Linda and Charlie Sinex. He received his Bachelor of Fine Arts degree from Indiana University in 2008 and enjoyed his work in healthcare information technology.

Nick was a generous, intelligent, creative man; he was loved by all who knew him. He was known for his humor, smile, art, original music, and his trademark yellow headband. Nick connected to people in a special way and had many friends from California, Wisconsin, Indiana, and beyond.

Nick is survived by his mother Linda and father Charlie, brothers Jacob and Luc, sister Alex, and his niece, Cami (who loved her Uncle NiNi). Losing his gentle spirit will leave a void in our family, but we will honor Nick's memory as we go forward. We'll always remember his smile and his often quirky outlook on life. Nick was one of a kind. To us, he was "The Best."

Nick is preceded in death by his grandparents Hubert and Barbara Hoke and Nelson and Helen Sinex.

Funeral services for our sweet Nick will take place Saturday November 23, 2019 at 2:00 pm at Unity Church (4001 S. Rogers Street). We invite everybody who knew and loved Nick to attend.

The immediate family members will attend a private burial immediately following the funeral service.

A celebration of Nick's life is scheduled for Saturday, December 14, 2019 from 3pm – 10pm at Jefferson St. Music Studio (2051 Fountain Dr.) Come for part or for all. Story telling is scheduled at 5pm. We will enjoy live music by many musician friends.

Rather than flowers or gifts, donation is suggested to the National Alliance on Mental Illness <https://donate.nami.org/> or Bloomington Animal Shelter <https://bloomington.in.gov/a-nimal-shelter/donate-supplies> (or your local animal shelter), or to a charity of your choosing.

“ A distraught Graham phoned us to tell us about Nick's death and the news left us grief stricken. Nick was always one of Graham's favourite friends and we share Graham's heart break. Nick was often at our house when Graham was back in Bloomington and together with other friends they shared a special bond. We remember Nick from elementary school days - such a sweet kid with an endearing smile. The Campbell family grieve for your tragic loss.

“ The world has lost a bright light with Nick's passing. I knew him as a teen when he and Ian would get up to no good. But I never worried about those two because I knew they were their own, unique people. A good thing. I'm sorry I can't be there to share this time with you. Much love to the Sinex family, barbara voakes

“ Nick and I were best friends for an all too short chapter of his life in California. He had the biggest heart and kindest soul, intuitive and wise. He was a talented artist with creativity that just poured out of him. He created music and a music video for a song I wrote and got a very introverted me to star in it with him. He recorded the music in two takes, because with him, it was all about the process of creating and not the judgement of the product. We read our poems to one another, talked for hours about life, spirituality, and God. He always made me laugh with his silliness and made me feel special with his kindness. I'll miss him dearly and hope he's found peace and happiness in whatever the next phase is. Rest in peace, bestie.
