“ I am so sorry, for the loss of Pam. We hadn't known each other for long, but she was such a joy to be around. my family knew David's family, back in the 50's, in s.e.KY. we went to church, and school with the Oney Family. I was so happy, to find David lived in Bloomington, and we finally connected around 6 years ago. I didn't know Pam, but it didn't take long to get acquainted with her. We felt such a closeness, with her and David both. I am so sorry, to loose both of them, in such a short time, but will always be thankful, that we had the short friendship, that we had. Pam came over in 2016, to go yard selling, at the town sale. she was using a walker then, recuperating from a back surgery. but she was so happy, to just be walking around, We had so much fun, and had dinner at one of the restaurants, to finish the day. Never did she complain about using the walker, she was just so bubbly and happy. We visited on the phone a lot, since then, but , other than being at the hospital, the day before David left, that was my last time with her. I will always remember that afternoon, yard selling, and what a great time we had. Prayers for all the family. pam and David loved all their children, and grandchildren dearly. A wonderful couple, we will always miss, but be glad we met. Blessings to all.
