“ Dear Becky & Mike, Please accept our deepest sympathy. My sister and I have many memories of your Mother and your home, by playing there as children. Matlock Heights was a very fun place to grow up. We could roam the streets and go back and forth between our house and have no worries. We do hope you and your families are all doing well. Please know we think and speak of you often. Susie (Belts) & Nancy (Host) Snyder

“ My heartfelt condolences to Jennings and the family of my mother's longtime friend, Patty. My brother and I spent many hours at their home when we were youngsters. I saw them last when I was in town in 2009 for services of my father, Phillip Massy. Jennings and Patty had a long and happy life together.

“ One of our fondest memories of Patty is our shared Mission Trip to a children's ranch in Fairfield, Idaho. Patty's eyesight was nearly gone but her desire to join us in serving others was not! She was determined to be a positive influence on the Children's ranch to children separated from their parents and she certainly did. Up early every morning to walk up the hill to the kitchen to start coffee and help Bea and any others to prepare a breakfast for a group of hungry teens and other adult sponsors she would go. We also shared the date of a wedding anniversary, which was so very special! We love you Patty Polley and are confident you are standing alongside Jesus eagerly awaiting your family and friends!
