“ Dear Rita and Tony,

Your Mom was the BEST! I remember when all of us young children would hike and ride our ponies all over your parent's beautiful farm north of town. The fun we had playing in the barn, Stouts Creek and then going back to your house where Mrs. Solomito had snacks! Your Mom always welcomed us, always so sweet and kind. She was a great lady! My best to your sister, Donna, too.

Best regards,

“ Tony, I'm so sorry to see this. I loved your parents. I loved going over to their house and visiting them. And being around them at the race tracks. Remember the time I put a cream pie in Bob's face, your mom helped me to come up with that. We had it all planned out. I know you mom is happy now she's with Joe. My thoughts and prayers are with all of you.
