“ I had a crush on Sonja from the 3rd grade at waterworks until she had not return the relationship by the 7th grade so I moved on. Even today her name would pop up in my recall brain. So sad to hear of her passing.

“ I haven't seen Sonja for several years now and I am truly saddened by her death. I first met her in the early 1960s when she and Jerry were neighbors of a family member. She was so easy to like. I would run into her at garage sales a few times and we would chat and laugh. She was just so darned charming. Blessings to her family.

“ My deepest sympathies to all of Sonja's family. My family and the Shields family were friends through our parents who were in the building business. I saw Jerry and Sonja at the veterinary's a couple years ago and enjoyed our brief visit while waiting. Loosing two parents in such a short time is heartbreaking but also knowing they're together in heavenly happiness is truly rejoicing.
