“ Bobby & Linda

Sorry to hear about the passing of your father. What has helped me the most are the fond memories we have of our loved ones. I remember many Thanksgivings in the 60's when Bill and Lois would come to Marion. The men would go hunting in the morning, then we would all eat a meal prepared by Clara, and then we would play cards. A truly enjoyable day, Never forget the good times you had with Bill.

Love

“ Just sending you a note to say I'm thinking of you cousins and Lois at this difficult time. I'm glad Uncle Bill is a part of my early memories of family holidays. I have a very early memory of Uncle Bill in Marion, teaching me my colors. When Barbie and I grew up and went to IU for college, he kindly drove us around Bloomington to help us get our bearings and become familiar with town. Uncle Bill was clearly proud of his children. Grateful for him, and for you all!
