“ I still can't believe you are no longer with us! Your spirit, joy, love of life, basketball, volleyball, golf, football (especially recently), any sports really, your friends & family will live on in all of us who loved you! Your laughter brightened every room and your stories will live on as well. You are sorely missed by me, your girls, your brothers, all your in-laws (you sure did marry into a big family) and everyone you helped over the years! Until we meet again ... Much love!

“ I am an attorney who worked with Alan many times, the key word is WITH. He was always decent, honest, easy to communicate with and really cared about people deeply. There was never a time I did not trust him or think he would do anything unfair. The hearings we had were always peaceful. I will miss him and the community will certainly miss him too. He was a good man, all the way.

“ Alan was an amazing one of a kind brother-in-law to our big, and challenging to keep up with family. We all appreciated the benefit of his legal education and longtime experience. He was a passionate observer of all sports, politics, companies, foods, and consumer products with his high standards. Most importantly he was a devoted husband to our wonderful sister and dad to their exceptional daughters. He will be greatly missed.
