“ I remember Al from working at my uncle Leonard's business Shields & Trinkle! My uncle used to dread deer season coming around every year because most of his work force were deer hunters! I remember Al telling deer stories to my Dad and I at my other uncle Warren's business T & C Hunting Shop! My Dad and my old hangout. We met a lot of nice guys over the years there. We enjoyed sharing stories.

*“ I am out of town and went on line today and seen where Albert died.  
I am very sorry for your loss. He was a great guy. We had a lot of  
good times together hunting up in Wisconsin years ago. He was  
always upbeat and had a terrific sense of humor. He was just fun to  
be around. You have my deepest sympathy.*

“ Although we were many miles apart, I was deeply saddened to hear of my cousin Albert Magness passing. I hadn't seen him in quite a long while, but remember him with genuine fondness and love. My Father, James E Magness, loved him like a son, and depended on him many times for help when he and his family lived down the street from us in California in the early 1960's. Between my family of nine and his family of six, Sunday dinners were quite an event. Peace be with him, his family and friends. He touched many lives as he walked through this thing we call life, and will always be remembered with love.
