“ Alice today is Melissa's 41st birthday and I've been sitting here thinking how we gave her her middle name of Ann after you because you had done so much for us always. You have no idea how much I missed you when our family fell apart. Miss and love you Alice.

“ I worked with Alice at IMA and would describe her as very busy, caring, giving, involved with family, her church and the care of others, a life well lived. I no longer live in Indiana and I think the last time I saw her in Bloomington, Mason was a freshman in college. I am very sorry for your loss.

“ Teddy and family, I was broken-hearted when I heard of Alice's passing. Alice and I worked together back in the 80's at the doctors office. She was a joy to be around. Clearly Alice loved the Lord, and you Teddy, as well as her family. She was a dedicated worker, trustworthy, honest and a delight to work with. Alice Ann made a difference.... I'm blessed to have known her. May the Lord bless you as you go through the coming days.

“ Before Alice and Teddy were married Alice Ann and I went on vacation together to Washington DC. We were two little girls out of Indiana seeing the big city! We walked everywhere we went cause we were on a budget and Alice was saving for her wedding. I remember climbing all the way up the Washington Monument steps because I was afraid of elevators and Alice climbed them with me! We were exhausted by the time we made it to the top! I loved her. She was the best. I know Alice is in Heaven and she made it in time to celebrate Easter with Jesus!

“ Oh Alice You were so good to me when we were on college mall road, every morning when I got off of the transit bus you were parked there waiting for me to drive me up to the office. When God made you he broke the mold.

“ I knew Alice as a child through high school and also in her professional life. As well as being a distant cousin. She was always pleasant, family oriented and will be missed by all. God Bless you Alice.

“ So very sorry for your loss. Praying for the family that God gives you comfort in this difficult time.

I met Alice Ann when I was 13 years old. We both attended the Nazarene church. Alice was a fantastic christian women. Alice, Sue and I used to shop every Friday night in my early 20's. I remember them talking me into buying the most ugly pair of pants for my husband (her brother) because they only cost \$2.50. Even though I am not a part of her family anymore I still loved her and am greatly sadden by her passing
