

Alicia Kay Hosey

May 13, 1975 - September 30, 2024

Alicia Kay Hosey, a beloved mother, sister, and wife, passed away on September 30, 2024, at the age of 49. Alicia was the cherished daughter of Lawrence and Alice Winney (both deceased), being born in Terre Haute, Indiana on May 13th, 1975, and raised in Greenwood, Indiana.

Alicia was a proud graduate of the Kelley School of Business at Indiana University Bloomington and Center Grove High School. She was known for her intelligence, quick wit, and unwavering determination. She inspired those around her, and touched countless lives with her humor, kindness, and generosity. Perhaps most importantly, the force was strong with this one.

All we have to decide is what to do with the time given to us, and Alicia made the most of hers. A devoted mother with a sharp mind and sense of business, she first spent her time raising her children, became a member in good standing with the September Mom's, and followed by pursuing a career in marketing and management; her most recent employment being with BioTeam as a Market Manager.

Alicia is survived by two children, Jonathan and Rachel (both of whom were her greatest joy); her husband Adrian Smith; her sister Kim Smoot (Gabe), and her cat Shadow. She will be deeply missed by her friends and family who knew her vibrant spirit and cherished her presence.

A Celebration of Life Service will be held on Friday, October 18th at 3:30 PM at Allen Funeral Home, 4155 S. Old State Road 37 in Bloomington, Indiana. The family will receive friends on Friday from 2:00 PM until the time of service at the funeral home.

In lieu of flowers, the family kindly requests that donations be made to Planned Parenthood in Alicia's memory. Her legacy of strength, love, and laughter will live on in the hearts of all who knew her. Live long and prosper, friends, and may the Schwartz be with you.

Online condolence may be shared with her family at www.allencares.com.

“ I have so many memories with Alicia from working at Gymboree to Ballet to being parents of adult children and having fun discovering ourselves!
Our trips to Disney are my favorite memories, we always acted like children and enjoyed every second of it!
Alicia, I will miss growing old with you, thank for the great memories!

“ Alicia and I worked together for about a decade. She was truly my MVP. Smart, common sense, damn near precognitive when it came to anticipating obstacles and navigating them before they became a problem.

And one her best qualities was her natural inclination to make work FUN. It didn't matter what kind of manufactured chaos we would get thrown into, she kept us laughing and the stress rolling off our backs.

When I think of her, I think of her smiling and laughing.
