“ Dear Ania,
There is no reason for you to remember me, but I was a student of your father's at IU back in the 80s. I knew that he had passed away years ago, but just recently found out about your mother's passing. I just want to take the opportunity to express to you how much their friendship, as well as their scholarship, meant to me in my graduate years. I carry their memories in my heart and will do so until my dying day.

“ *Dear Ms. O'Brien,
I own the house across the street from your mom since the Robinsons moved out. I enjoyed her neighborly company on many occasions. She spoke of you dearly and told me of her escapades as a young woman.*

The professor who helped your family when they came to Bloomington was my Russian Literature professor at I.U. so we had lots to talk about.

I know you took great care of your mom as the home health care ladies were there constantly always looking after her. I know that was your doing.

I am in San Antonio, Texas for part of the year and in my Eastside Drive house otherwise. If I can be of any help to you, please let me know.

I am very sorry for your loss.

Love,
