“ I can not tell you in words just what this Dear Sister meant to me Or
my family. As I pastured for almost 10 years I must say that Sis.
Marie and Brother Red were the kind of saints, supporter,
encourages that any Pastor would say Lord I wish I had 10-20 more
just like them. Many are the times when I was low she would visit
me in my mind singing "What a lovely Name" To the family I would
like to say God is able to wipe away every tear from your eyes. The
world will be a lot darker with her gone, but the Scriptures tells us
not to worry, nor to fret for Sister Marie has just gotten her call to a
much better place. A place with our pain or sorrow, a place where
we can one day be reunited, a place called heaven. For years now
heaven been on her mind and she finally has made it. So as the old
song goes "Don't you weep for me when I go, for I won't have to live
here no more. And when I hear that last trumpet sound my feet
won't stay on the ground."

Yes we have lost one of the best but heaven is sure looking sweeter
all the time.

I am sorry I cannot be there for Sister Maries going home party, just
came home from the hospital last night, and I am bound in my
house for a while longer, but rest assured if money could have
gotten me there I would give my whole pocket book to have been
