“ Zach, Molly, Bob,Brad, Stephen{BB}, and family.-We are so sorry for the passing of Amy. When we all lived on Cherry Lane as I said before, we were not only neighbors but we were family.

Zach and Molly, we watched your mother grow up. When she had you kids she loved you both and that always showed. I remember her cooking homemade meals, baking wonderful treats for school and home. She was a wonderful homemaker and she did all of that with love. She was so proud of you both. I can not imagine what you both are going through and I pray you find the strength to get through this journey. I pray God will wrap his loving arms around you both and the family through this journey. We love and miss Amy also.

*Rest in peace Amy

“ Amy lived across the street from me when we were kids. We used to play together. When I lost my dad , brother and grandma back to back Amy reached out and talked with me and was very supportive when I was going through a really hard time. She is kind, loving, funny and so much more. 🥹

“ Amy and I met when we were training to be bus drivers together in 2017. We instantly clicked and became great friends. She was so funny and the sweetest person. Amy, Deanna and I have so many crazy fun memories together that I will forever cherish. We had our girls nights that I always looked forward to. Haunted houses, riding scooters, dance parties, bumper cars on ice, our annual tubing trips. We laughed so much until our stomachs hurt. I'll never forget her. She was a friend to so many because she was such a special person, truly one of a kind. I miss her so much. I'm so sorry Zach, Molly, Bob, Stephen & Brad.

Zach, I am so saddened for you and Molly. And my heart breaks for your grandpa. I would really like to speak with him. The landline he and your grandma had for years is not in service. If you could send his contact info via FB messenger or something, I would so appreciate it. I'm under Kelly Kinser Stephens. Much love to you all.

“ This girls smile always made my day. I used to tell her that. I was lucky enough to sit and talk to her the day before she passed. She made my day that morning and she didn’t even know it. She called me her friend. I miss her so much. Rest easy in Gods arms 💕💕🙏

“ A life taken way too soon. Amy was always the life of the party. Quick witted, loving, high spirited and a true friend to those she loved. Amy, you are already missed by those who knew and loved you. Go rest high!
