“ Oh my...Andrea and I met when we attended Woerner school together and a couple yrs at ROTC. She and I were really good friends for a long time. We were also Girl Scouts together. We lost contact for many years. But the wonderful world of facebook brought us back together. I will truly miss her and regret not being able to go visit her. Andrea will always hold a special place in my heart

*I'm at a lose for words. I love all of you and will always have oh so, so, many memories. I miss going to Woerner and having lifetime friends we thought would never go away. And as Dawn said, Facebook has kept us all in touch. I'll say a little prayer for her family and just know she was truly an amazing person. Love,
Ava Kitchell (House)*

“ As long as I live, I will remember you cousin. You helped me as a young woman growing up. Was there for me taking me to Walgreens buying me things. I would spend the night and sleep in the water bed with you. I have so many memories. That Is all I have. You will be dearly missed. We all love you, no more pain. Rest in heaven. Love Andrea from cousin Michelle

“ *It was an honor to have become friends with Andrea this past year and to provide support in any way she allowed me to do so. Grief is a difficult journey that comes in unexpected waves. No words can take away that grief and loss. I pray that you may find peace and comfort in the coming days and weeks.*
