“ *Andrea and I attended a class together. Three days of intense training, roll playing, and working in small groups. I got the chance to really get to know Andrea. I feel fortunate that I was given the opportunity to know her and devastated for her family and friends that she has been taken away. I will miss Andrea everyday...*

“ Andrea came to me one morning and said she was expecting a package of live animals and to let her know as soon as it came, and me being me I had to know what it was and she told me little baby ducks. I was so excited that I was gonna get to see little ducks. They wrnt to her house instead, but she kept me updated on them. I will miss her. Michelle Humphrey
