

Andrew Hall Lindsey

June 25, 1990 - January 7, 2023

Andrew Hall Lindsey, 32, loving son, brother, uncle, nephew, and cousin, passed away unexpectedly on Saturday, January 7. Andrew was born in Bloomington on June 25, 1990, to Bob and Valerie (Bouvier) Lindsey. He grew up in Bloomington, graduating with honors from Bloomington High School North. He earned a Bachelor of Science in Education and was inducted into Kappa Delta Pi International Honor Society in Education. He received a Master's in Educational Leadership, following in a family tradition of teaching. He taught middle school Social Studies, at John R. Wooden Middle School in Martinsville, where he coached baseball. He was especially enjoying this year with his students and loved to talk about what he was doing in the classroom. He was proud of the things his students accomplished.

Andrew had many passions throughout his life. Growing up, he participated in different sports including baseball, basketball, football, and wrestling. Whenever possible, he would be hiking and enjoying the outdoors. He took many long treks and felt at home when exploring nature. He had hiked every state park in Indiana, as well as the Appalachian Trail. He loved animals, especially dogs. He enjoyed traveling to Mexico with his family several times a year.

Andrew was part of a loving family. He was proud to be an uncle to his three little nephews, and they adored him. He was always the first person to help

others and could be counted on to pitch in whenever he was needed. He had a wonderful smile and a great, subtle sense of humor.

Andrew is survived by his parents, Bob and Valerie Lindsey, brother Anthony (Elizabeth) Lindsey, grandmother Ida Bouvier, aunts Sherrill (Stuart) Curry, Susan (Al) Velasquez, Suzanne Bouvier, Alain (Kim) Bouvier, Monique (Jon) Loucks, Andre Bouvier, nephews Luke, Noah, and Trey Lindsey, cousins Curtis Curry, Lisa Webb, Kevin Curry, Lauren Bays, David Loucks, and Kasey, Kiley, Cabot, and Kaitlin Bouvier.

He was preceded in death by his grandparents Doris and Bob Lindsey, Raymond Bouvier and his cousin Christopher Curry.

Visitation will be at Allen Funeral Home and Crematory, 4155 South Old Road 37, Bloomington, on Wednesday, January 11, from 4:00 until 8:00. Memorial contributions may be made to Bloomington Animal Shelter or the charity of one's choice.

“ He was a good teacher for me last school year. I remember making him a drawing, and he said he wished he had that much hair. He was also very nice to the kids and always showed up with a smile on his face. He was always nice to everyone around him, and he was very loved by all the teachers in the school.

“ I have worked a door or two down the hall from Andrew for several years. He was always extremely kind to me and would go out of his way to share funny stories and videos. He enjoyed his classes this year, and he often offered me words of encouragement on difficult days in the classroom.

He was just recently telling me about how excited he was to go to Mexico with his family over break; I know his family meant the world to him. I'm thinking of all of you during this time.

“ I remember Mr.Lindsey as a funny kind teacher. We connected when he would see the designs on my t-shirts. I remember one time i had a Dragon Ball shirt on and he made a joke about Krillin. He was such a nice caring man. He taught me many things about the different religions and he was an over all great teacher. He cared about his students and wanted them to focus and learn. My prayer will go out to his family and friends to whom are mourning his passing. We connected even more on Halloween when he had on a Ah vs the evil dead shirt on. We had many of the same interests and it is a shame that he was called back home. One thing that really makes me sad and tear up is that he was so excited to start on our projects in class. He may be gone from earth but he will not be forgotten. He was also a wonderful Baseball coach. I put an excerpt from the song Gone too soon by Michael Jackson in his honor.

“ Andrew used to host the Boys' Movie Club in school. Most of the members had a hard time finding a place to fit in at school. Andrew gave them a place to find friends.

I enjoyed being Andrew's classroom neighbor for many years. He was a kind man and an upstanding person.

“ I worked with Andrew at John R Wooden, and we were neighbors one school year. It was my pleasure to get to know and respect him. We were there for each other to vent, talk teaching, politics, tell jokes, and we shared a love for silly songs and TV shows. I will miss my friend very much, but I know we shall meet again in Heaven.

My condolences to Andrew's Family.
