“ So I have so many memories of my friendship with you Jason, but if I had to pick one, it would be when my Mom passed away, that evening I called to tell him, he dropped everything and flew down the next day. He ended up staying a week and even got me to get out of the house while my family packed up my Mother's belongings. We ended up in Fort Myers. And believe it or not we had so much fun, Jason, my cousin and me. You have been and always will be my Best Friend. And there isn't a day that goes by that I don't think of you. You truly had a heart of gold. I miss you so much. Love always Ryan
