“ Curt and family, I am so very sorry to hear of Angie's passing. She was so very sweet, caring and patient. Hahaha...she had to be patient when she was trying to teach me how to play piano. I remember listening to her sing at Zion, she had such a beautiful voice. My prayers will continue for you all. (((Hugs)))

“ I remember Angie coming into the Edgewood Primary School with Luke. She always had such a beautiful smile and spirit. You could tell what a wonderful person she was. When I saw Luke in JR. High "Mini" dancing and singing his heart out, I was reminded of those early years at EPS. May God comfort your family with great memories.

I will always remember the wonderful memories we made in school and especially the private weekly visits on the way to Marge and Chet Wilson's for piano lessons. I wouldn't trade them for the world! “ Curt,

I can't begin to express how saddened I was to learn of Angie's death. There is no doubt that this is a very difficult time for you and your family. Please remember that you are in my thoughts and prayers.

Although many years have passed since we have seen each other regularly, I will always remember Angie as the kind, and generous soul she was. I know that she will be greatly missed by everyone who knew her.

One of the most prominent memories I have from our school years together is seeing the two of you walking hand-in-hand down the hallways at Fairmount and M-G - always with a smile on your faces. Having what you shared back then turning into such a long and loving relationship is something that is rare indeed. You and she were very lucky to be able to share such a bond for such a long time.

I know how much you will miss Angie, but please try to take comfort and strength from the wonderful family you and she had together.

May God bless you and your family during this time and always.
