I will always cherish her friendship and remember the wonderful stories she would tell me. How she loved her family you were her reason for living. She so looked forward to moving to Bloomington so she could be around her family all the time. I just wish she could have made the move. I know Angie is in a better place now but, it is so hard to give her up. Put you trust in the Lord and he and his devine power will get you through this.....One Day at a Time!!!!!!!!!!

“ My heartfelt prayers go out to Angie's family. I worked with her for many years at Naval Avionics, and was truly shocked and sorry to hear of her passing. May God wrap all of you....her family, in HIS GREAT ARMS of LOVE and COMFORT during these times, and the days to come. The Lord is the only one who can help us during these times. If you haven't already, then ask HIM into your hearts and lives, and for forgiveness for any past sins, so we all can be together with HIM in HEAVEN, because HIS COMING IS SOON. “ To the family of Angie, I have know her all my life. She is my Aunt, my mother's younger sister and she is family. I have always been around her until my move to Louisiana.

We have had some good times together. I babysit the girls, We spent time together after they were grown. I came back home to spend time with my family and begin where I left off. Ronnie and I were bidding on a lamp and she was determined to get it. After she won @ \$15 we really gave up. She was laughting when she gave the lamp to Ronnie as our first wedding gift. Ronnie said, nothing will ever happen to this lamp. He loved her as I did. Sis
