“ Wow. Where do I start. In 1988 Ann was my secretary for Newcomers. One day when she was dropping off the minutes of the meeting she mentioned she worked for State Farm in NY and she was seeking a job. My husband was a new State Farm agent and was in desperate need of a secretary. I called him instantly and 15 years later we gave her a retirement party. She was a lovely, kind, talented and fun woman. She'll be greatly missed.

Love,
