“ I just learned about Ann's passing. I am sorry to hear the news. Ann was a neat lady and a great colleague. I attended K-State with Ann and we worked together in Osawatomie. Ann always spoke highly of her family and her son. I know she was happy to be home in Indiana.

“ To Ann's family I was sorry to hear of her passing. She was a true gem one of a kind special lady. When she was principal here in Osawatomie all of the staff was the whole team. There were no labels we were all equal. It was truly an honor to work under her leadership and guidance. She was a true friend when she had moved to Wichita Kansas she had come back to Osawatomie with a group of educators. She told them she wasn't leaving until she found me so she could say hi and see how I was doing. Well she found me that day and it was then I knew she was a true friend. She always had a smile and such kind words. We truly will miss her and there will always be that special spot in my heart for her. God be with you all and I know she is resting in peace in Gods arms. Love ya Ann

“ Dear Carson, Becky, girls, Curt & family,

Stan & I just found about the passing of your precious Mom and Grandma, today, Sunday, Aug. 16th., via email from Rebecca Rush of Friendship House.

Angie & I left Laf. on Aug. 4th and I just returned home, late Fri. night, Aug. 14th, after having a stroke down home while trying to help close out my Aunt/2nd Mom's estate; etc.

I was hospitalized and wasn't physically able to trave home until I had the permission of the hospitalist physician who treated me at St. Mary's Hospital in Evansville, IN.

My computer was shut off and Stan NEVER, EVER turns it on, cks. his emails; etc. I always read them and tell him about each email and, when needed, I print them out for him.

Otherwise, we would have been there for your Mom and Grandma's funeral as we love you very much.

Please accept our love, support, our deepest, heartfelf sympathy, and many, many prayers.

We care and we love you. We're soooooooooo very, very sorry that we did not know and that I was down home, hospitalized with a stroke; etc.

*As Always,
Love & Prayers,
Stan, Linda, Rick & Angie*

*It's so hard for us to understand
why she was taken away
But if we could see her spread her wings
then we might not say
She's an angel too soon
A pretty flower that never bloomed
Somewhere on the other side of the moon
She's an angel too soon

“ Matt, Curt, and Carson:

I just received an email from a classmate telling me that AnnaMae passed away on Sunday. I was so sad to hear the news. Since I live in California now, I was so hoping that I would get to spend some time with her when I come back for the class reunion in October. She was such a good friend....the world will be less bright without her in it. I hope you will hold her in your hearts forever.

My prayers are with all of you.

“ *My thoughts and prayers go out to all of the Hayes and extended families. Anna was my 3rd grade teacher and by far my favorite teacher of all over the years. She was an absolutely beautiful person both inside and out. Even in recent years when I would run into her here and there, she always brought a smile to my face just from her kindness through her words and her unforgettable smile.*
