“ I have many memories but used to love when Anne would come stay with us a few weeks while here visiting her siblings. There was never a dull moment and she always made you laugh. We love and miss you.

“ Words can't express how sorry I am to hear of the loss of an absolute angel. To those who lost their friend, mom, grandma, great-grandma, and everyone who knew her, always remember she had a heart like no other. I met her only a few times as Tonya's mom, and she was such a sweet, kind-hearted soul and I know all of you will all miss her dearly. My prayers and thoughts are with each of you as you navigate your lives without the one person who could always make you smile. Bless you all and know I'm thinking of you and praying for you.  
Love to you all,
