April 15, 1932 - August 20, 2014

Anthony H. Galpern, 82, of Bloomington, Indiana passed away peacefully at his residence on Wednesday August 20, 2014.

In the Name of God I go on this Journey.  
May God the Father be with me,  
May God the Son protect me,  
May God the Holy Spirit be by my side.

Anthony was born in New York City on April 15, 1932 to Nina Melova and Lasar Galpern.

Raised in San Francisco and Los Angeles, California, Anthony graduated from the University of California, Los Angeles where he met his future wife, Beverly Anne Taylor.

Anthony, Beverly and their five young children moved from Southern California to Fort Wayne, Indiana in 1972. Anthony, then president of the Aerospace-Optical Division of International Telephone and Telegraph (ITT), eventually moved his family and career to Bergen County New Jersey. Working in both Nutley, New Jersey and New York City, Anthony Galpern retired as an engaged and hard working corporate vice president for ITT.

Always ready to teach and be taught Anthony chose Bloomington and the Indiana University School of Business as his final career. Anthony, his students, colleagues and the University all benefited by his many years of dedicated service, his love of books and the travel those books inspired.

A member of the Catholic Faith, Anthony Galpern is survived by his wife, Beverly, and children, Marshall, Anne, Christopher, Timothy and Andrew, and grandchildren, Anthony, Alexa, Emily, Erinne, Taylor and Jonathon.

“ *I was sorry to read of Tony's passing in this morning's paper. He brought smiles to all our faces in the marketing department whenever we spoke. He touched lives of many students and communicated his values through his teaching.*
