“ So sorry about Anthony. He really was a good guy. I was there at his Baptism, and I will see him in the afterlife! I actually met him several different times in our lives many years ago, once when he was working at Bloomington Auto Parts, then again years later while I was visiting my brother. I wish him a good journey.

“ A lot of good memories from our youth as I think about Tony and our family lives intertwined.
I am thinking of all that knew and loved Tony, especially Cindy and Chris.
