“ Tony and I were birthday buddies (he, a year older). We had known eachother since middle schools. He and his wife were the so sweet in school and that carried on through marriage. We became reconnected with our girls playing softball together (they are all the same age) a great guy and a loving father who will be missed by so many. Prayers to his kiddos and extended family

“ Tony and his family have been my neighbors for many years now. Tony and I have stood outside many days talking about our families. He loved his kids and would share with me things going on in their lives. I will miss seeing and talking with him.

“ I worked with Tony for a number of years at Frito-Lay. He was a hard worker and very talented. Tony was more than a co-worker, he was a good friend and when anyone had issues Tony was there for them. We will miss him.
