“ I met April at Bloomington North where I worked only a short time. I heard through another co-worker about her diagnosis. I reached out to her but it was too late. I really enjoyed talking with her. It breaks my heart to hear of her passing. April, I will miss you, I know you are not suffering. I will always remember you. Beth Smith (Edgewood Jr. High School)

“ I still can't believe you're gone mommy. There is so much you were supposed to be here for. It breaks my heart that cancer took you from us so early in life. I will always love you and I'll still talk to you everyday and will especially when I'm in need of a mothering moment. You always gave me the best advice and help me through the rough times I will forever be grateful for your mom. I love you forever. Until I see you again I'll hold you on my heart. ❤️💔🕊️

“ I remember we 1st met on Zoosk (a dating site). We talked every day by computer video chats.

It wasn't long before I eventually moved here to Bloomington to be with you permanently! We've never really fought or argued...just a good, solid and loving relationship! You are my soulmate April Denise Puett and you always will be!

We've watched grandkids being born, watched them grow, watched our kids grow and do good with themselves...no one can touch the love we've shared the past 10 1/2; years! I just can't believe you're gone!
