Tribute Wall

“ *It's hard to know just what to say,
when one so young is taken away...
Far too soon she had to part,
her memory forever engraved in our heart...
We only knew her too short awhile,
but in life she always found a way to make us smile...
She was so beautiful and oh so rare,
BUT...Life as they say just isn't fair...
Those gone before her will watch her with care,
till the day comes when we'll all join her there...
Know Ashli Naomi is watchin' from heaven above,
And with each ray of sunshine, she's sendin' her love...
