“ I'll always remember Austin for his big smile, and his kind heart!!! He had the sweetest spirit, and would go out of his way to talk to me whenever I came to visit at his grandma & grandpa's house. I have fond memories of the time he wanted to drive my daughter's yellow Cobalt. He was at that age when you're getting ready to drive and have your first vehicle. So I let him cruise her car up the county road, and we were jamming the radio full blast!!! It made his day, and mine too. I'll never forget you, Austin, and all your kind words to me. Until we meet again...love ya buddy!!! 🙏🙏🙏🙏🙏🙏
