“ *Judy Nancy and Phyllis*

I was so sorry to hear about your Mom. I have been remembering how she welcomed me into your family when I was a child. I enjoyed spending time with your family we had some really fun times. You girls are in my prayers. I would like to be there to give my condolences in person, but my work schedule will not allow it. So I am sending them via email.

I love you and will miss your Mom.

“ *I was very sorry to learn of your mother's passing, Phyllis. I'm now an 'orphan' myself and remember how difficult it can be, even if when it's expected.*
