“ Words cannot describe the sadness that Marty and I feel. She was a second mom to me for many years. I enjoyed working with her and I learned and grew so much because she gave me a chance and believed in me. Regrettably, I will not be able to attend the friends and family gathering because I just found out Tuesday at 6:30 pm (I do not buy the newspaper). Our love and prayers are with your family. I will miss her so much. I think of her often.
With much sympathy,
Theresea

“ I am sorry for your loss and I am very symphathetic for the family and the hurt that they must be feeling right now.

The pain is real and must not be denied. But someday we will see the glory of GOD, even in the things that we suffer. We have the assurance of Job and Jesus on that.

Job, too, eventually realized toe awesome glory and grace of GOD as a result of his sufferins (Job 42: 1-6)

“ *I was sorry to hear of Barbara's passing. (We always called her "Bobbi"). I worked with Bobbi at Indiana Bell in Bloomington for several years. Regretfully, I had not seen her for many years since I left the company.*

Bobbi was always happy, smiling, a hard worker who dearly loved her family and was so proud them. She was always cheerful, had many friends, and tried to help everyone. I will keep the family in my prayers.
