“ I am so sorry to hear of the death of Barbara. The passing away of a loved one is always with much sorrow. May we have faith and confidence in the Bible's promise of a time when pain, sickness and death are a thing of the past (Revelation 21:3, 4). My condolences are with the family at this difficult time.

“ I think of her and I remember how she smiled.

I remember how cheerful she was and how she kidded and teased with a twinkle in her eyes. She was brave about her shortened years and health problems. She left us too soon but something tells me she was ready.
