

Barry Scott Foster

December 14, 1961 - June 9, 2024

Barry Scott Foster, age 62, of Bloomington, IN, was suddenly lost to us on Sunday, June 9, 2024. Barry was born in Bloomington on December 14, 1961, to John R. Foster and Sherry Myers Miller. He graduated from Bloomington High School South in 1980 and joined the Navy soon afterward. Barry was proud to have served our country, spending time on the USS Sylvania in the Mediterranean Sea. After completing his time in the Navy, he came back to Bloomington and got his union card in Local 125 as an electrician (a skill he learned in the Navy).

Barry was a loving soul who loved his family dearly and would always help anyone. He had many lifelong friends whom he loved to spend time with. Barry had an adventurous spirit and did many activities that embodied this such as scuba diving, spelunking, and skydiving. He also loved motorcycles and classic cars. He also was a very accomplished bass guitar player and enjoyed listening to classic rock. After retiring as a union electrician, Barry had rediscovered his passion for visual art by painting and restoring furniture. He was renowned by all who knew him as someone who could fix anything. Survivors include his mother, Sherry Myers Miller; his brother Roddy Foster along with Roddy's wife, Andrea and their three children; along with another brother, Jason Campbell and his two children; and a final brother, Chad Browning; and many beloved pets.

Barry was preceded in death by his father, John R. Foster; stepmother, Deirdre Foster; grandparents, Isaac Owen and Frances Foster and Charles B. and Martha J. Myers; and his many beloved pets.

A Celebration of Life will be held for Barry on Sunday, June 16, 2024 at Allen Funeral Home (4155 S. Old State Road 37, Bloomington, IN 47401) from 2-5pm. In lieu of flowers, donations can be made to Monroe County Animal Shelter or a charity of your choice.

Allen Funeral Home and Crematory have been entrusted with arrangements. Online condolences, photos and memories may be shared with family and friends at www.allencares.com

“ I am only now just hearing about Barry's passing. This saddens me beyond measure. I regret that we lost contact after I left Indiana and after the death of his father. Barry was a sweet and kind man, and a dear cousin.

However late I am in learning of this and in signing in here, I do send my deepest condolences to the family and to everyone who knew and loved him.
