“ I will always have the greatest memories of of spending most holidays with Uncle Kenneth,Aunt Jean and Randy whether it be them coming up to Michigan or us going down to Indianapolis. The best memories will always be the two weeks spent in northern Michigan every summer. Most times at Brevoort Lake. The best times were sitting around the campfire every night talking laughing and making memories that will last a lifetime,and Aunt Jean trying to talk Randy into staying up later so he wouldn't wake up so early. Aunt Jean was also known for her excellent cooking. Who could possibly forget the five gallon tin of homemade cookies that she would bring every year.We were always so excited to see them pull in the driveway and so sad to see them pulling away to head home. I am so grateful that me and Diane got to talk to her just before Christmas. I think we talked for over an hour. We were always happy to see her coming, and even though now we are so sad to see her go we know she is now reunited with family and friends that she has missed for so long . Rest In Peace Aunt Jean thank you for being such a wonderful part of our lives. We love you and will miss you!

“ Jean will be missed dearly. She became part of our family while here at Bell Trace and she was one of the strongest, most independent women that we've had the honor of knowing. Special thank you to her son, Randy for allowing her the ability to stay in her home during her last weeks. That was her wish and we're so grateful for that, as I know she was. Best wishes to the entire family and thank you for letting us be such a big part of her life.
