

## Batool "Battina" Borhan

March 22, 1947 - March 26, 2016

In loving memory of Batool "Battina" Borhan. She was the loving wife of Dr. Mike Borhan of 55 years. She passed peacefully surrounded by her loving family.

Battina was full of generosity and was a friend to anybody that she met. Her kindness is an attribute to beauty of her heart and soul. Her inspiring presence will be deeply missed by all who had the privilege of knowing her.

Battina's desire for philanthropy and generosity was unparalleled. She strived to improve the lives of those less fortunate. Her smile, style, class, and demeanor captivated all those around her. Battina was an avid art, music, and nature lovers for many years.

Battina was a natural hostess. She entertained the likes of senators, governors, doctors and nurses. She respected and treated the staff at Dunn Memorial and Bedford Regional Hospitals as though they were part of our family.

Battina was preceded in death by her father Mohammed and mother Robab. Battina is survived by her husband, Dr. Mike Borhan, daughter Soheila Boyer, sons Dr. Arrange Borhan, Kameran Borhan, and Arshan Borhan. She had 4 grandchildren Brianna Borhan, Bradon Borhan, Arianna Borhan and Aliyeh

Boyer. She has 4 loving sisters Maheen, Asheya, Nasreen, Roghayeh and 2 brothers Houshang and Hosein.

We are all saddened by the loss of such an amazing mother, wife, sister and friend.

We will be having a recognition of Battina's life on May 7th at Kathy Thompson's studio Kats at 2pm. Please join us 824 Lincoln Avenue Bedford, Indiana 47421.

“ Bat was such a gracious and kind person. I worked with her with cancer patients and helping raise money to help people. She helped coordinate my daffodil sales for the American Cancer Society, and then helped with the home tour and find homes, and even had her own home on the tour and was such a wonderful hostess. Who couldn't love Bat. When my foster daughter was pregnant and came to her husband's office, she always took time to talk to Christina and year's later asked about Christina and her baby. She was a caring and extraordinary person who will be missed greatly.
