“ I met Becky and her sister when she was 14, about 2 yrs. after her Mother had died. We became very close friends and she was much like a little sister to me, as I had none. Altho my husband and I moved away for a few years we always kept in touch. She was so pleasant, we played cards and took her with us to our family reunions, picnics, etc. My kids adored her and she them. I know she will be sadly missed by all who knew her and my condolences are with Kevin and her family. Another angel has joined Jesus in Heaven. GOD BLESS YOU KEVIN, JEFF and FAMILY.

“ I always loved Becky, she was so much fun. Her birthday is the day before mine so we always had two birthday parties at my aunt Lucille's house. My late husband Mike and I played many of card games with Becky, I think we laughed so much we would forget about the game until Mike would say Becky you can't play that card. She is a great person, and she will be a great angel. Kevin So sorry for your loss.
