“ *Benny and Joni,*

I was sorry to hear about the loss of your father. I was out of town during the funeral, but saw the obituary in the newspapers when I got home and was catching up. Were there any charities that I can make a contribution to in his name?

It's never easy to lose a parent. I lost my father seven years ago and I still miss him all the time.

I hope you and your families are all well.

Sincerely, Laura Stolberg

“ *I'm a long time friend of Benny. We attended a long time ago Ray Sexton dance class together with fifteen or so other couples. All of us became quite close and still tell the stories from those days when we see each other.*

I bought my auto insurance from Benny because of that friendship and I visited with him in his office on many occasions. We were GOOD friends and I have missed him since Mike Weston built his new office and Benny was no longer there. I have had a lot of illness myself recently and currently can't walk without pain so I did not come to the funeral home. I do want to convey my deepest sympathy to his family some of whom I worked with years ago. God bless you in this time of sorrow. Sincerely,

“ My love goes out to you, and your family, Jill. Your Dad was such a nice man. Another loss from the balcony of Fairview, where we all grew up.

“ Ben & Family, We pray that you will be blessed with peace and comfort at this time that can only come from Jesus. He tells us in John 11:25, 26 "I am the resurrection and the life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die.”

“ Dear Joni, Joe, Kylie and Natalie and extended family,
We were so sorry to hear of the loss of your
father. He was a sweet and talented man. I
remember the nice toys he carved for your
children. He took such pride in telling us how he made them.

We send our prayers. This will be a difficult week. May God be with
you in your sorrow and soon replace it with cherished memories.

Love,
Sue and Don

“ Dear Coster Family,

Benny was such a kind and caring man. We couldn't have asked for a better insurance man. His staff were also caring individuals which reflected on the man he was. He will be missed. Our thoughts and prayers are with you all during this time.
