“ Susan, Sarah, and Families-

We are thinking of you today, and wish we were there to help you get through this day, which no doubt will be filled with memories, tears, and even a bit of laughter. Grief works in strange ways! Please be sure that we are there with you, in spirit. We are so sorry for your loss.

Bernice was a wonderful woman. I will never forget the wild, crazy events- and the love and nurturing I felt when visiting the Cox home! It's the only place I ever ate Chipped Beef and Gravy! Your Mom will be missed, but has definitely touched all who knew her. She is in a better place, that may have become a bit more rowdy after her arrival!

Our parents are surely having a beer in Heaven today- and singing! I hope my mother's voice has gotten at least a bit better.

*Love you All-
Andrea and David Lentz and Family*

“ Sarah and Susan,

I am at a loss for adequate words to express my sadness for you. I had the blessed opportunity of knowing your mom, however brief, and I know heaven just received one of the most special angels. You both are a reflection of your mom in the way you treat people with respect and empathy. Not to mention the way you make each person feel loved. I am so sorry for your loss.
