“ Dear Mentora and Mary and families, Bill and I could not recount all the many kindnesses your mother showed us in the over thirty years we were neighbors--from impromptu babysitting to emergency transportation. to graduation gifts for our children, and many, many gifts of persimmons, Bernice was always there, a steady and helpful hand in any troubles we had and a sharer in our joys. We will miss her but be certain that she has attained the peaceful heaven she created here on earth for so many others. Bill and Priscilla Manwaring

“ I was saddened by the news of Bernice's passing. I lived in Arlington during my adolescence and I remember John, Bernice, Mary and Mentoria and we played "kick the can" in the Jean's back yard. Those were good times and I miss them. Tom Vint

“ Dear Bernice's family, My Mom, Mary Masters, was Bernice's Avon lady when she lived in N Highland Village. I loved going to her house with my Mom on her Avon route. If we went on a Monday chances were that John would be working with the fish he caught over the weekend. Bernice and John were both so enjoyable to talk to and I still think of John when I drive past the greenhouse at IU. Our thoughts and prayers are with you as you go thru this trying time.
