“ I loved Betty. I was just a little girl when she and Lester came to our little church. As I got to be a young teen they were young people's leader. We had parties at their house. They moved away years ago and I just today found out she went to Heaven. Hugs Betty. Nancy Cheever Currey

“ Lester,

We love Betty and will miss her effervescent smile. We miss the 2 of you being on the back row at First Church. Our words could never fill the hole you have in your heart right now because we could always see and feel the love that you 2 had for each other. You are a wonderful example for Rita and I.
We will be out of town on Monday and will not be able to attend the service but know that our hearts will be with you.
God bless you and hold you close at this time.

“ Betty was my Aunt, a very lovely and cheerful lady. She was a very caring, and a fine Christian example. I will always remember Aunt Betty bringing the Red Velvet Cake to the Reunions. Although I know She is in a better place, Heaven, I will miss her. Kenny and Rachel Allen
