“ Dear Buddy and David,

*Sorry to hear of your mother's passing. I am sure she is in a better place.*

*I will always remember your mom as a young mother living near Master Electric in Dayton Ohio where I delivered her newspaper. She always had a cool drink for me in the summer and something to warm me up in the winter.*

*I think the quote "The most decisive actions of our life ... are most often unconsidered actions" represents how I remember her.*

*Regards,  
Bill Thomson*
