“ So sorry to hear of Betty's passing. She was such a good friend to my mom when they were both at the Edgewood Apts. Her birthday was just 2 days after my sister Karen's, and I always tried to send her a card. Betty was such a kind-hearted, sweet, and giving person. It was my honor to have known her. I will miss her smile and generous spirit.

Please know that you are in my thoughts and prayers during this sad time of loss.

“ Dear Stines Family,

We were sad to hear of Betty's passing. Your mother and father were always so welcoming to us and although we hadn't seen either of them for years we would always talk about their house in town and time we spent there.

You are in our thoughts and prayers at this time.
